## ARTS CURRICULUM PATHWAYS $20 \mathrm{~F}_{2}$

## ARTS SIGNATURE EXPERIENCE

The Arts Department encourages selected students to develop their passions for music, drama or visual arts through a sequence of elective classes and extracurricular activities culminating in a public performance or exhibition in the senior year. Inspired by field trips to museums, concert halls, and theaters, as well as by visiting professionals, these young artists broaden their academic studies at Peddie with original, independent work in their chosen field of the arts.
