

PEDDIE

SUGGESTED BOARDING STUDENT PACKING LIST

Students should bring to campus items that are necessary for their success in the classroom and in boarding life at Peddie. At the culmination of the academic year, a limited amount of storage is available for student belongings including refrigerators, desk chairs, bicycles and books packed in plastic containers.

Students may not be in possession of items that produce a flame or create excessive heat (this includes but is not limited to candles, lava lamps and halogen lamps.) All dorm lounges are equipped with a microwave, Keurig, and water kettles. Cooking devices are not allowed in dorm rooms.

FURNITURE

Each student will be provided an extra long twin bed, dresser, desk, desk chair, and closet space for their own personal use. Futons, sofas, loveseats, recliners, or equivalent furniture pieces are NOT permitted. Folding or inflatable chairs that can be easily stored and personal desk chairs are permitted. One refrigerator is permitted per room and can be no larger than 5 cubic feet. Prior to purchasing a fridge, we encourage new families to have a conversation with their roommate during the move-in process.

SCHOOL SUPPLIES

Students should speak with their teachers during the first week meetings to see what additional supplies may be required for each class. Many of the supplies listed below are available at [The Peddie Store](#) located inside the Caspersen Campus Center.

- Stapler and staples
- Pens and pencils
- Pencil sharpener
- Notebooks
- Pocket folders
- Sticky notes
- Index cards (3x5)
